## TWO WERE KILLED

**LIGHTNING'S DEADLY WORK  
DURING THE SATURDAY  
STORM.**

## ROBERT IMEL WAS A VICTIM

**Railroad Man Who Had Just  
Arrived Here Also Killed.**

Two people were killed by lightning at Dodge City during last Saturday's rain storm. Robt. Imel, a son of Mr. and Mrs. Sam. Imel of Wright, was killed at the north west part of town and Wm. P. Grier, an Indiana man who had just arrived in town, was killed in the Santa Fe reading room.

Robt. Imel was a young man 22 years of age. His parents, Mr. and Mrs. S. Imel, came to town Saturday leaving the young man at home in the harvest field. Robert and others were arranging for a surprise party, and came to town to buy ice for making ice cream. His parents were to be surprised so he did not let them know that he was coming to town. Just as he was about reaching town he was struck by lightning. John Moler, a neighbor boy who was riding with him received a shock sufficient to render him insensible for a time. People who were driving a distance behind the boys saw Robert Imel's horse fall, and both boys from the buggy. As the others approached the Moler boy regained consciousness and started toward the nearest house, apparently not knowing what he was doing. Robt. Imel was brought to town by Frank Elliott and taken to the Home Furnishing Company's store.

It was here that his parents found him. The Moler boy had about recovered from the effects of the shock by the following day. The horse received a very severe shock but was not killed.

Not very much has been learned of the stranger who was killed at the Santa Fe reading room. He came in from the west Saturday on some train and a young man said to be a west end brakeman was with him. They had gone to the reading room and Grier was sitting in the east room by the table. Mr. Walker who has charge of the place was in the same room, standing only a few feet from Grier. When the lightning struck, Mr. Walker fell against the middle wall. He recovered in a second or two sufficiently to see that Grier had been killed.

Just what course was taken by the lightning is a mystery. It appears to have passed over the electric wire which enters from the west wall. There also seems to be evidence that it came down the chimney in the center of the building as the wall paper was cut out clean on each side of the chimney. Again there was quite a hole torn part way through the roof about a foot from the chimney. There are no marks on the inside of the building except where the stovepipe holes on each side of the chimney had been papered over, and these were cleaned out as though nothing had ever been over them.

Grier's papers showed that his home was at Seymour, Indiana. A message sent to that place brought a reply from his mother, directing the shipment of his body home. It appears that Grier has been working for a railroad company in Arizona and had started home. His papers showed him to be a member of the B. of R. T. His body was shipped for Indiana Monday morning.

Robert Imel's funeral was held from the Methodist church in Dodge City Sunday afternoon at 3 o'clock, Rev. F. W. Imboden conducting the services. The young man's sudden death was indeed a severe blow to his parents and friends and they have the earnest sympathy of the community in their terrible bereavement.

### For Clerk of Court

The announcement of Mr. H. H. Wells for clerk of the district court of Ford county appears in this issue. Mr. Wells is now serving his first term in this office and asks for re-nomination for a second term. He is an old settler who is held in high esteem by all of his acquaintances and his acquaintance extends nearly all over the county.

So far no other candidate has appeared for this office and apparently Mr. Wells will have no opposition for the nomination.

### \$50 REWARD.

Fifty dollars reward for arrest and conviction of party or parties who put the stakes in my wheat field.

H. B. Wood, Dodge City, Kan.

## TWO MORE KILLED

**At Least There Seems Little Hope  
for Recovery of Either.**

Tuesday night C. A. Rosson, who was beating his way on No. 5 from Kinsley to Dodge City, jumped from the train in the east end of the yards. He fell under the wheels and was badly butchered. Both legs and one arm were broken and his skull was fractured. He was taken to the McCarty hospital here. His injuries are believed to be fatal.

Rosson, it has been learned, is the son of a family at Washington, D. C. He is a telegraph operator and has held good positions. It seems that he went to Arizona for his health and lately came to this part of the country. It is reported from Kinsley that Rosson had been gambling with a crowd of harvest hands and had been arrested there.

E. B. Nyström, a new employee in the Bridge and Building department, received injuries in the yards here Wednesday morning, which may prove fatal. A heavy ladder fell and struck him upon the head, fracturing his skull. He was taken to the Santa Fe hospital at Topeka.

### For County Treasurer

Mr. Henry M. Kinkadee announces his candidacy for the office of county treasurer in this issue. Mr. Kinkadee is at present manager of the Postal telegraph office here. He is a very competent and reliable man and a loyal Republican. In every way worthy of the confidence of the voters and the people of the county as a whole. If nominated by the Republicans and elected he would fill the office ably, with credit to himself and to the party.

## DIXON IN HUTCHINSON

**Making Arrangements to Exhibit at  
The Big State Fair.**

Syl Dixon, the corn and wheat train man is here. He is meeting with the members of the fair association today.

Mr. Dixon is to take another big train of corn this fall from the southwest end of the state to Chicago and to other points. This time he is to start from Dodge City on September 18 with a train of wheat of twenty, representing twenty southwest counties of the state. These cars will first come here during the State Fair and they will be held in Hutchinson for three days during the fair week. He is arranging with the fair association to offer prizes on the best corn to the counties exhibiting it in this train. He will have a special car filled with the products of the west end of the state and this car will show up the good things of Southwest Kansas.

Mr. Dixon has run these special trains before and he knows something about the business that other people do not know. He manages to get a display together that tells of the big things of a particular piece of country and the way he puts the facts before the people advertises that section greatly. He will be here for a day or two.—Hutchinson News.

## FEARS A LYNCHING

**Admits He is a Thief, But Says That  
is His Only Crime.**

If Harry Degrott tells the truth to the city marshal here, circumstances have played an unfortunate trick upon him, even though he admits that he is a thief. Degrott says he got a job as a dish washer in a restaurant at Syracuse. He worked two days, then some one left two guns and a watch in a room into which Degrott happened to go. He promptly stole the guns and watch and beat his way out on the first train. That is Degrott's story.

That same night a young girl in Syracuse was the victim of a brutal criminal assault. She was found unconscious and is in a critical condition. There was much excitement. Degrott was missing and the crime was laid to him. Descriptions of him were wired over the country and he was arrested here.

Sheriff Brady who came to Dodge City yesterday after Degrott left him here for the present. Degrott wept almost continually after being told that he was accused of the brutal assault at Syracuse. He says he was a thief there, but that was all. He fears that if taken there he may be mobbed. He is 26 years old and claims Dayton, Ohio for his home.

## ARRESTED HERE MONDAY

**Spent His Own Money and Then Took  
His Room Mate's.**

A young man who gave his name as Earl Deaton of Cameron, Mo., was arrested here Monday and put in jail here for stealing \$35 from Fred Wilson.

The two young men had been working for Forest McCauley near the Ford county line. Deaton disappeared Monday morning and a little later Wilson missed his money. Frank Van Riper of Wilburn township, acting as an officer tracked Deaton and caught him near the Mayrath farm. At the same time the sheriff here, who had been notified, was on the track of Deaton and was not far away when he was arrested.

He at first denied having Wilson's money, but it was found hidden in the fingers of a pair of gloves he carried. When the money was found he admitted taking it. He said he had worked through harvest and had spent his own money having a good time.

The theft, it seems was committed in Meade county and if he is prosecuted it will be in that county.

## GEORGIA MINSTRELS

**Will be Here Next Week Under Their  
Large Tent Theatre**

For nearly half a century the famous Georgia Minstrels have been the recognized exponents of colored minstrelsy, and have been justly crowned the king of the minstrel world.

The management have inaugurated a summer tour under canvas, thereby insuring comfort to its patrons and a decided novelty to the performance. For this summer season they have been specially reinforced with the celebrated Sunny South Jubilee Singers, who present a genuine revival of old time minstrelsy, featuring the old songs and grotesque dances peculiar to the negro of slavery days. They will appear at Dodge City on Tuesday, July 2, and under a large tent theatre.

Plowing.**

Ford county, the center of the rainfall is very wet.

Last Saturday afternoon a small cloud appeared and it looked like we would get a ten minutes sprinkle. The cloud increased and two and thirty-eight hundredths inches of water fell.

Last night it was at it again and added 1.10 inches, making a total for the two showers of three and a half inches.

The ground is in great condition for fall plowing.
